

HEALTH, SAFETY AND ENVIRONMENT (HSE) CORPORATE POLICY

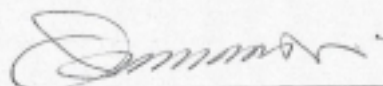

It is the policy of Ofure Global International Services to effectively manage HSE adequately in all our operation. This we shall do by operating the following:

- ❖ We shall be sensitive to community related issues and ensure that we have a cordial relation with our host community by engaging in community development projects to the best of our abilities.
- ❖ All our employees shall be well catered for health wise to ensure that their health is not endangered by our operations.
- ❖ We strongly believe in no accident in our work sites; hence we strictly abide by the use of our work method statement, use of personnel protective equipment (PPE) Task hazard control sheet (THCS) etc.
- ❖ We assiduously work to ensure that our immediate environment is not adversely affected by our activities. We also strive to reduce whatever impacts our activities may have on the environment to as low as reasonably practicable (ALARP).

Our company HSE objectives are summarized as follows;

- ❖ To ensure that all hazards relating to our operations have been systemically identified and management controls have been provided to demonstrate that the hazards are as low as reasonably practicable.
- ❖ To achieve continuous improvement in the company's HSE performance
- ❖ To ensure actualization of the project HSE plan

It is the company's primary objective to protect both the lives and property of all her employee. We have the sole responsibility to implement this policy.
